

What to do - Careers

Learning opportunities available for students

At Dixons Trinity Academy, our mission is that all children succeed at university (or a real alternative), thrive in a top job and have a great life. Our values of hard work, trust and fairness support this mission and our language, routines and structures constantly reinforce the metaphor of 'climbing the mountain'. Our drivers of 'mastery, autonomy and purpose' ensure all students are intrinsically motivated to achieve their full potential and to see the doors education can open. All of our artefacts in school support this mission. In addition, our comprehensive careers plan below makes opportunities explicit.
